NOTE:

"The list below is available on the internet. A random sampling of the names were found to be generally accurate. Since the source is the internet, the reader is advised to also authenticate.

The link is:

http://www.subvertednation.net/jew-lists/

The below link from the Jewish Virtual Library contains many of the names identified on pages 36 – 38.

We have been accused of having “Jew on the brain”; of being negatively obsessed with the Jews, and of being “anti-Semitic.” Yet Jewish influence over the affairs of the world are undeniably powerful, far out of proportion to their numbers. Their role in shaping public opinion through their media interests, and their mastering of the world of business and trade is pivotal to the world economy. As a group they are the most successful in terms of income and wealth and they have reached the highest echelons or the pinnacle of power in every field.

Jews are the masters of Hollywood, they are the masters of all forms of media, radio, and television. They are masters of trade and commerce and banking, medicine, and law. The following lists we believe prove this reality.
Jewish Lists

The lists below are available on the internet. A spot check of several of the names found it to be generally accurate, though we cannot vouch for ALL of the names, and some titles may be out of date. The second list claims to be updated in 2012. They are followed by quotes on Jewish control.

Proof That Jews Control Hollywood

Posted on February 15, 2012 by Joe Rebel

Editor’s note: In 2002 the Jewish website “Judaism Online” posted an extensive list of Jews who dominate the American media. Since 2006 this article, with my comments, has proven one of the very most frequented at www.truthtellers.org.

In this update and revision, I keep much of the original Judaism Online article (which is in italics) but delete out-of-date information. I add much more, documenting the present status of the Jewish media moguls who tell us what to believe – and degrade our morals. Unless otherwise stated, these individuals are Jewish. The names of persons who are almost certainly Jewish but unconfirmed are followed by an asterisk.

TELEVISION NETWORKS

CBS/Viacom:

Sumner Redstone – chairman of board and CEO of the CBS Corporation, which includes Viacom, “world’s biggest media giant” (Economist, 11-23-02). The CBS Corporation is the world’s most powerful and corruptive Jewish media giant. Viacom owns Viacom Cable, CBS, and MTV... Blockbuster Video Rentals, and Black Entertainment TV. Viacom operations include UPN, BET Networks, Paramount Pictures and such well-known global brands as VH1, CMP, Logo, Nickelodeon, Nick at Nite, Nick Jr., Teen Nick, Comedy Central, Showtime, Spike TV, TV Land, Rock Band, Addicting Games, Atom, Neo Pets, and Shockwave as well as Simon and Schuster.

Phillipe Dauman is president and CEO of Viacom.

Leslie Moonves (great-nephew of Prime Minister David Ben-Gurion) – president of CBS Television.

Martin Franks (*) is executive vice president, planning, policy and government affairs.

Louis J. Briskman (*) is executive vice president of research and planning and general counsel.

Although Jews compose less than 2 percent of the US population, the CBS Corporation Board of Directors, as well as major corporation divisions, is occupied by over 60 percent Jews.

NBC:

In 2011 Comcast purchased NBC Universal. Steve Burke (a gentile yet board member of J. P. Morgan) became new CEO of NBC Universal. Robert Greenblatt is chairman of NBC Entertainment.

Steve Capus (*) is president of NBC News.

Max Mutchnik and David Kohan – co-executive producers of NBC’s “Good Morning, Miami.”
ABC:

Allan Braverman is executive vice president and general counsel of Walt Disney Company.

Ben Sherwood is president of ABC News.

FOX:

Rupert Murdoch (Jewish mother, hence legally Jewish) is owner of FOX TV, *New York Post*, *London Times*, and *News of the World*.

*Joel Klein, ex-chancellor of New York Department of Education, was appointed by Murdoch to clean up the news corporation’s hacking image.*

CNN:

Wolf Blitzer is host of CNN’s “The Situation Room.”

PUBLISHERS

The Encyclopedia Judaica, in its article “Publishing,” lists the following publishing houses, as of 1971, owned or controlled by Jews:

In its article on New York City, the Judaica adds to the list of publishing houses owned by Jews, Liveright & Boni, and Anchor Books.

Today, Random House, Doubleday, and Anchor Books, while Jewish owned and controlled, participate in the world’s largest publishing consortium, Bertelsmann A.G., benefiting from its staggering distribution advantages.

Judaism Online says: Bertelsmann’s American operations are headed by Joel Klein, chair and CEO.

NEWSPAPERS

The following, from the 2002 Judaism Online article, though largely outdated, I have left unrevised because of the general picture it presents.

Judaism Online’s list presents only the most outstanding, well-recognized Jews in the American media. I could name hundreds more from the top ranks of Jewish media leadership. Such names are readily available from corporate directories such as Standard and Poor’s and Lexis Nexus.

Yes, some a small number of the Jewish superstars listed above are political conservatives. Yet studies of top-level Jewish media executives prove they are overwhelming liberal. The famous Lichter-Rothman poll in the early 1980s found that top media executives were radically out of step with the moral values of the American public.

Of these, 97% affirm a woman’s right to an abortion if she pleases. 80% disagree that homosexuality is wrong. 86% believe homosexuals have the right to be schoolteachers. 51% believe adultery is permissible. Of 104 top executives polled, 59% were “raised in the Jewish religion.”

Who can deny such Jewish domination of big media? As Jewish film critic Michael Medved argues, “It makes no sense at all to try to deny the reality of Jewish power and preeminence in popular culture. Any list of the most influential production executives at each of the major movie studios will produce a heavy majority of recognizable Jewish names.”

Does it matter who dominates the media? It does! The media shapes not only our children’s values and actions but our own. The Jewish media has normalized sexual degeneracy, profanity and all kinds of sin. It also leads us into war to make the Mid-East safe for Israel. This happened in Afghanistan, Iraq and, tomorrow, Iran.

If an anti-Christian agenda were being advanced by Moonies or Scientologists, dominating the most powerful positions of media leadership in America, there would be a howl of protest. Americans would demand Congressional hearings and investigations. But because the Jewish media has forbidden identification of itself as Jewish, vilifying such as anti-Semitism, a deafening silence prevails. Meanwhile, relentless evil continues to control the spigot of information from which America drinks.
